

### **Why Opt for a Paid Consultation?**

By now, you've probably spent valuable time and energy trying to determine your immigration options. But, U.S. immigration is complex, fact-specific and ever changing. For these reasons and because the correct options and actions will determine your future, we recommend that you take advantage of our paid consultation.

This consultation is about saving you time and money, thus optimizing your goals and chances of success. During the consult, we will:

- Evaluate the facts of your case and review your immigration documents;
- Answer questions that you might have about your options;
- Explain the immigration benefits for which you may qualify;
- Provide you with documents to assist you in reviewing your options;
- Help you plan your successful immigration strategy;
- Provide you with an estimate of the fees and costs for us to help you achieve your goals.

### **How Much Does the Consult Cost?**

The consultation fee is \$250. The fee includes a case evaluation and strategy with our lead immigration attorney and a review of the documents and/or information you provide to our team prior to your consult.

### **How Do I Request a Consult?**

Please complete a request for consultation at <http://www.marksgrey.com/request-consult>. Our staff might email or call you to ask follow-up questions to make your consult more productive.

### **After Submitting an Online Request for Consult, When Will I Hear from You?**

We generally respond to requests for consultation within 24 hours of receipt of the consult submission. The submitted information is kept strictly confidential.

### **How Do the Consults Take Place?**

We offer *in-person*, *telephone*, or *Skype appointments* with our lead immigration attorney.

### **How Do I Pay for the Consult?**

We accept business checks, bank transfer, credit cards (Visa, MasterCard or Discover) or cash. We also accept wire transfer for international clients and automatic debit for domestic banks.

### **Do You Offer a Free Consultation?**

No. Immigration cases are complex and fact-specific and require detailed legal analysis. However, we offer a courtesy 10-15 minute telephone call with one of our immigration specialists. The information you provide will be evaluated to determine whether we can help you.

## **Can You Tell Me How Much You Charge to Handle My Case before the Consult?**

Unfortunately, no. In order to best assist you achieve your goals, we need to understand your case and evaluate how much it will cost to prepare the best evidence for your situation.

We believe that if someone quotes you a fee without learning about the facts of your case, your needs and goals, they are doing you a disservice.

*Our clients tell us that we are not an inexpensive immigration team. However, for the value and services they have received, they would not have done it any other way.*

If you're looking for the cheapest attorney, unfortunately, we are not for you.

*If you're looking for an experienced, determined, result focused immigration team that is interested in partnering with you to help you achieve your immigration goals, we look forward to helping you!*

## **Once Retained, What Does Your Immigration Service Include?**

No two immigration cases are the same. Nevertheless, if you retain the Marks Gray Immigration team, our general services include the following:

- Develop a clear and effective strategy for your case and filing timeline;
- Identify specific evidence that will enhance your case;
- Meet, communicate, guide and assist you to answer questions and strategize throughout the evidence-gathering and preparation process;
- Communicate, review, edit, collect, refine and organize the best evidence for your case;
- Provide guidance and assistance in the preparation of documents/information;
- Provide you with information and tools to help you understand the process;
- Draft and assist obtaining necessary support letters and expert opinions or evaluations;
- Draft a comprehensive petition letter that cohesively presents the strength of your case;
- Prepare a persuasive and probative evidence packet and supporting documents;
- Ensure that your final evidence fulfills the known legal requirements;
- Submit your application and monitor case progress;
- Communicate with immigration agencies and officers on your behalf; and
- Keep you informed of pertinent changes in policies, interpretations and procedures at relevant government agencies.
